Uniting Engineers, Transforming Lives

Quarterly Newsletter - March 2025

Key Highlights

Kapil Dev Regmi's USA Journey: Strengthening Global Collaboration

Kapil Dev Regmi, President-Elect of Engineers Without Borders International (EWBI) and President of EWB Nepal, recently embarked on a transformative journey to the USA. From attending the National Prayer Breakfast to engaging with Harvard and UC Berkeley students, his trip fostered global connections and opened doors for collaboration in sustainable engineering solutions.
