Uniting Engineers, Transforming Lives

Quarterly Newsletter - October 2025

Key Highlights

EWB Nepal's Annual General Meeting 2025: From Ideas to Impact

Engineers Without Borders Nepal (EWBN) held its Annual General Meeting on August 12, celebrating a year of community-driven engineering, youth engagement, and sustainable impact. Members reflected on achievements, shared ideas to strengthen programs, and renewed their commitment to advancing hope and empowerment across Nepal.

EWB Nepal Strengthens Global Ties with MoUs with EWB UK and EWB Sweden

Engineers Without Borders Nepal (EWB-N) formed new partnerships with EWB UK and EWB Sweden, enhancing global collaboration and sustainable engineering. An MoU with EWB UK promotes shared learning and community projects, enabling Nepali students to join the Engineering for People Design Challenge. Leaders hailed it as a model for mutual growth and impact.
